

Affidavit of Plumbing Testing

With the inspector's permission, per Comm. 82.21(1)(b)1b, complete entire form. Use of this form is not mandatory. This is a suggested format that a plumber may replace with their own affidavit. Print or type clearly. Call for your rough inspection and inform the inspector that you have completed the testing and the affidavit. Provide this completed form to the inspector prior to or at the time of the rough-in inspection.

Date of test: _____ Responsible Master: _____

Responsible MP Number: _____
